

## RFQ Clarification Q&A-UNCP-Chavis Air Handler Replacements

2025

Clarification Questions	Question	Response
We understand that the 20-page limit excludes the SF-330. Are the cover and dividers also excluded from this page limit?	A tab or divider with only a label or number will not count toward the total page count. However, if there is additional content such as text, images, or graphics on the tab or divider, it will count as part of your 20-page limit. Any content beyond a page or tab number will be included in the page count.	
To clarify, we understand our response is to be submitted electronically only. Should the PDF be emailed directly to you, or delivered on a flash drive via hand delivery or courier service?	Yes, submit one (1) electronic copy in PDF format via email only to Matt Greene and copy Douglas Hall.	
How many total AHU's wanting to be replaced with this project vs how many total the building has.	The Chavis Air Handler Project consists of two (2) AHU's being replaced on the 2nd floor in their entirety, and they are number 6 and 7 in the building as there are a total of seven AHU's in the Chavis Building.	
Any idea of the existing capacity of the AHU's in CFM?	No information	
Are these AHU's indoors in mechanical rooms? Are there exterior doors to these mechanical rooms if so?	Yes, indoors in Mechanical rooms	
Do these AHU's wanting to be replaced in this project serve the entire 67,155 sf mentioned in the RFP?	No. Just 2nd floor
