

Fire Alarm Control Panels (FACP)

Project Scope

The University of North Carolina at Pembroke (UNCP) is seeking letters of interest from qualified professionals to provide complete design and construction administration services for Fire Alarm Control Panels (FACP) and all system devices. These systems are comprised of both addressable and non-addressable systems. All systems have annunciators, duct detectors, heat detectors, smoke detectors, audible / visual devices, pull stations, remote power supplies and back up battery systems. All systems are to be replaced with modern, addressable systems and all devices on the system are to be replaced upgrading the fire alarm control panel in D.F. Lowry, Locklear Hall, Moore Hall, Oxendine Science, Pinchback Maintenance and Facilities.

Total Project Budget \$1,032,000.00

The Pre-Submittal Meeting will be held virtually to expand participation, provide additional project information, and answer limited questions. The Meeting is not mandatory but encouraged as it will provide the only opportunity for discussion.

Notes

- Failure to follow the directions or contacting anyone other than the listed contact may result in submission being classified as non-responsive.
- Responses shall be electronically submitted and should be no more than (20) pages at 8.5 x 11, excluding SF-330 form.
- It is the submitting firm's responsibility to ensure the materials are received by the due date and time. The University does not take responsibility for incomplete or late submissions.
- Submit One (1) electronic copy via email in PDF format

Fire Alarm Control Panels (FACP)

Tab 1: Completed Information Sheet (Website Link)

- 1.1 On your completed Information Sheet, please include the primary contact person's name and email address which will be used by the University for all future communications.

Tab 2: Letter of Interest (Cover Letter)

- 2.1 Address the cover letter to the Project Contact or Project Manager

Tab 3: Project Team Organization Chart

- 3.1 Adequate staff and proposed design or consultant team and their relevant project experience

Tab 4: Relevant Experience & Other Important Factors

- 4.1 Specialized or appropriate expertise in the type of project Past performance on similar projects to proposed solicitation illustrating experience with projects on university campus sites.
- 4.2 Current workload and State projects awarded.
- 4.3 Proposed design approach for the project
- 4.4 Recent experience with project costs and schedule adherence (include projects most like this Project)
- 4.5 Construction administration capabilities
- 4.6 Proximity to and familiarity with the area where project is located.
- 4.7 Record of successfully completed projects without major legal or technical problems.
- 4.8 Energy Conservation/LEED Experience

Tab 5: Minority Business Participation Plan (include design and construction efforts to reach UNCP HUB goals)

Tab 6: Current SF-330

*** The Proposal (Tabs 1-5 above) will be reviewed for firms' qualifications as Letter of Interest. As a reminder, the SF-330 (Tab 6) is an attachment to the proposal and is viewed as such. It is not a supplement or replacement for the proposal itself and will not be as formally reviewed in the detail as Tabs 1-5.**

Firms are requested to assure receipt of One (1) electronic copy via email in a PDF format to the **project contact** matt.greene@uncp.edu and Cc: douglas.hall@uncp.edu, by the stated deadline. The intended Schedule is subject to change:

Matt Greene Project Manager

UNC Pembroke
Facilities Planning, Design and Construction
