Southeastern
COMMUNITY COLLEGE

Articulation Agreement
University of North Carolina at Pembroke
and Southeastern Community College
A.A.S. in Information Technology to B.S. in Information Technology – Cybersecurity Track
January 2023

I. Purpose

This Articulation Agreement is established by and between the University of North Carolina at Pembroke (UNC Pembroke) and Southeastern Community College and is applicable to students who complete the required hours for the Associate in Applied Science in Information Technology from Southeastern Community College and transfer to the University of North Carolina at Pembroke and major in B.S. in Information Technology – Cybersecurity Track. Transfers who have not completed the Associate in Applied Science degree will be evaluated on an individual basis.

The University of North Carolina at Pembroke, located in Pembroke, NC, is a four-year public university and part of the University of North Carolina system. UNC Pembroke is regionally accredited by the Southern Association of Colleges and Schools Commission on Colleges to award Baccalaureate and Master's level degrees.

Southeastern Community College, located in Whiteville, NC, is a two-year public community college and part of the North Carolina Community College System. Southeastern Community College is regionally accredited by the Southern Association of College and Schools Commission on Colleges to award associate degrees, diplomas and certificates.

II. Terms

The parties agree to the following:

1. This Articulation Agreement is effective as of the date of the executed document and shall continue until terminated. Both parties must approve amendments to this Articulation Agreement.

2. Either party may terminate this Articulation Agreement without cause upon 90 days written notice to the other party. Notwithstanding the foregoing, either party may terminate this Articulation Agreement immediately in the event that participation under this Articulation Agreement may give rise to a violation of any requirement of federal or state law or regulation or the requirements of any accrediting agency having jurisdiction.

3. Any changes or additions to the agreement shall be made after consultation with the proper official of both institutions.

4. Qualified faculty members must teach all courses accepted for transfer to the University of North Carolina at Pembroke. Faculty teaching courses for transfer must meet the standards set forth in *The*

Principles of Accreditation: Foundations for Quality Enhancement (6.2.a) by the Southern Association of Colleges and Schools Commission on Colleges.

5. All students must meet UNC Pembroke transfer admissions requirements. The student must complete a UNC Pembroke transfer application. Final admission to UNC Pembroke is contingent upon the submission of an official Southeastern Community College transcript as well as official transcripts from any other college from which credits are used to meet graduation requirements prior to enrolling at UNC Pembroke.

6. The student will matriculate with all privileges and benefits available to students enrolled at UNC Pembroke including financial aid, student government leadership, academic honors, and student organizations.

7. If this agreement is revised or terminated, Southeastern Community College students that have matriculated at UNC Pembroke may continue until completion of the baccalaureate degree, contingent upon continuous enrollment. Students that do not remain continuously enrolled will be reviewed on an individual basis.

8. The parties grant each other a non-exclusive, non-transferrable license to use each other's trademarks and service marks in furtherance of the articulation coordination detailed herein or in a manner solely for the purposes of identifying and communicating the existence of the relationship to Southeastern Community College students and alumni. Use of trademarks, service marks, and logos will comply with the use policies of the originating institution. The parties shall discontinue the use of the licensed marks and return any and all files and materials containing the licensed marks supplied by the owner at termination or expiration of this Articulation Agreement. Neither party grants the other any interest in the other party's trademarks. Should either originating institution request, in writing, that a particular use of the originating institution's trademarks and/or service marks be discontinued, the non-originating institution shall cease and desist such use of the trademarks and/or service marks.

9. The parties hereto will have the relationship of independent contractors for all purposes. Each will have complete control over its own performance and the details of accomplishing its own obligations under this Articulation Agreement. In no event will the agents, representatives, or employees of one party be deemed to be agents, representatives, or employees of the other.

10. A duly authorized representative of each party may execute this Articulation Agreement, either by electronic or facsimile transmission, each of which will be considered an original.

11. This agreement will be reviewed and revised every 3 years. **NOTE: The Point of Contact for Articulations will be responsible for revising all existing bilateral articulation agreements.**

III. Contacts for Coordination

Each party will notify the other party of any changes in the contacts. Contacts for each institution for the purposes of executing this agreement are:

University of North Carolina at Pembroke

				Total Transfer Credit Hours: 66-68	

VI. Elements

1. To be eligible for admissions under this agreement, each candidate must have at least a 2.0 cumulative Quality Point Average (QPA) on a 4.0 scale on all prior college/university course work.

2. Only courses with a grade of "C" or higher will be accepted for transfer credit.

3. Total required hours for a Bachelor of Science in Information Technology – Cybersecurity Track at UNC Pembroke is 120 hours.

4. Transfer course work will be evaluated on an individual basis for students transferring with an A.A.S. in Information Technology from Southeastern Community College and majoring in a degree/track other than the B.S. in Information Technology – Cybersecurity.

5. Students must complete both CTI 120 – Network & Security Foundation and NET 125 – Networking Basics to receive credit for ITC 3070 – Computer Network and Data Communications. Please see the course equivalency chart (Section V).

6. Students must complete a minimum of 9 hours of Writing Intensive courses at UNC Pembroke. Graduation from UNC Pembroke is based on successful completion of General Education including 2 hours of Physical Education and Wellness, which is required for all baccalaureate degrees, and upon successful completion of a specialized program for a major.

7. Students are required to complete the Indigenous Cultures and Communities (ICC) graduation requirement as part of the undergraduate curriculum. Students transferring to UNC Pembroke with 60 (or more) transfer credit hours are required to take **EITHER** one (1) approved ICC designated 3-credit hour course **OR** one (1) ICC designated and

department-approved co-curricular learning experience. Students transferring to UNCP with fewer than 60 transfer credit hours are required to take
EITHER two (2) approved ICC designated 3-credit hour courses **OR** one (1) approved ICC designated 3-credit hour course AND one (1) ICC designated and department-approved co-curricular learning experience.

8. UNC Pembroke does not limit the number of transfer credits in which a student can transfer; however, **a minimum of 25 percent of the semester hours applied toward a bachelor's degree must be earned through regular enrollment in UNC Pembroke**. For more information, please refer to UNC Pembroke's specific degree requirements for majors. A course equivalency chart is attached to this document (Section V).
